14 Attach Images

You can add up to 3 images here for a standard listing. 5 as an EGBA member & 6 for a featured listing.

We suggest making sure you add your logo as one of them. When your logo has been uploaded, make sure you tick the checkbox to tell the listing which one is your logo.

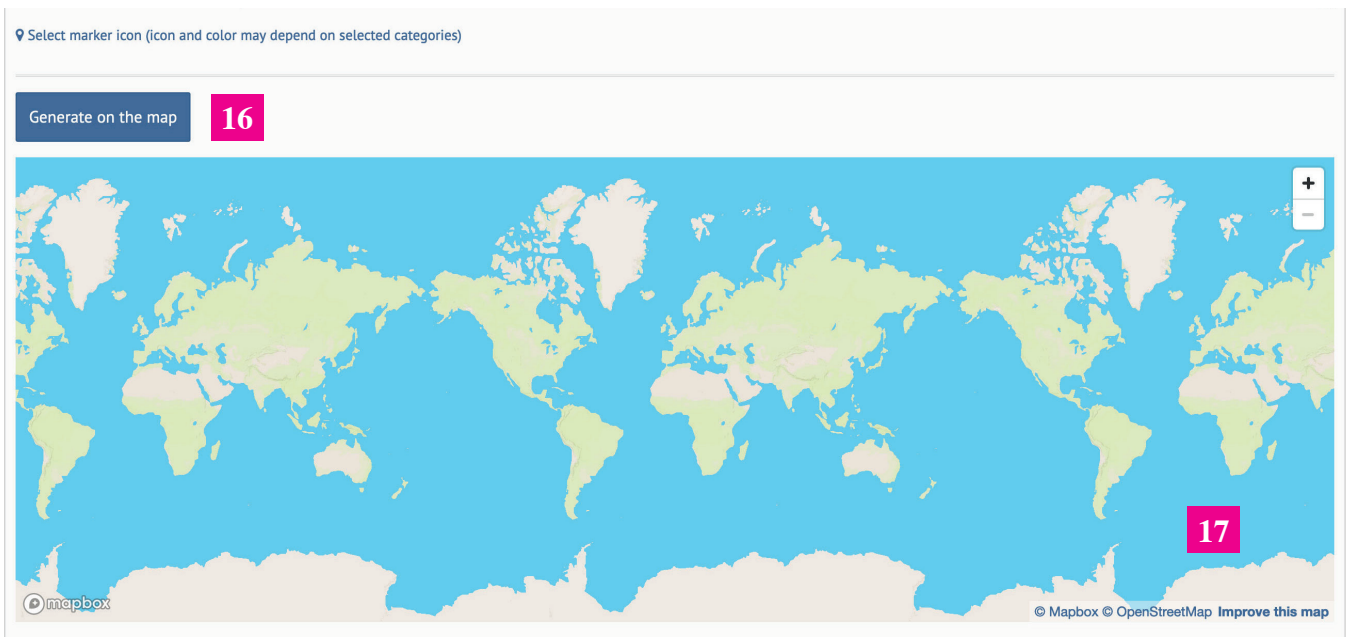

15 Listing Location

This is the area for your business or service address.

Make sure you use the top line drop down for United Kingdom.

We suggest putting your whole address in Address Line 1 except for the Postcode, which will go into the Zip Code box.

There is no need to add any information in the marker info window.

16 Generate the map

Once you have entered your business address, click on this button. The map should auto-generate your location.

17 Map

If you have generated your map location, and the position is not correct. You can move the marker to be right on top of where you want it to be.

18 PUBLISH

Once you are happy with all of the information entered. Then click PUBLISH. You will receive an email from the system that generates a password for you - please check junk if you don't receive it. Then log back into your listing by clicking on My Account in the top menu. You can now update it any time you like.

All Directory submissions are put into moderation once you submit them. All updates you carry out to your listing are put into moderation too. The web team will then check its authenticity and publish to live for you.

If you have any problems, please email kate@visiteastgrinstead.com and we will be more than happy to help.

We hope you have many enquiries through your listing on Visit East Grinstead.
